Workshop 1 - Grade 3::Model

Workshop 1 - Grade 4::Model

«enumeration» CatalogType Magazines Journals Books

«enumeration» AccountState

Generic Library Domain model.

Assumptions/Notes:

Active

Closed

Inactive

- #1: It is a public library with no membership fees.
- #2: Each user can borrow a maximum of 4 books at a time.
- #3: Each user can reserve a maximum of 6 books at a time.
- #4: Users can have inactive accounts.
- #5: There are no Loan overdue reminders. Instead the Account is set as inactive when there are books that are overdue.
- #6: I have not included items as DVD, magazines and journals n the model since i figured it did not want to over complicate the model.
